JESSIE CHAN

London, UK | chan.jicheng@gmail.com | +44 (0) 7751 544 790 | linkedin.com/in/ji-cheng-chan

Growth marketer in fintech and digital assets who generates qualified leads and clients, working with Sales and Business Development across retail, wealth and institutional products. I research target accounts, build outreach and content that gives people a reason to engage, and measure what turns into pipeline. I use AI to solve marketing problems, whether improving current workflows or opening new acquisition funnels.

EXPERIENCE

Graduate Growth Marketing Manager **May 2026 – Present**

Blockchain.com, London, United Kingdom | Retail, Wealth and Institutional

- Generated 20+ active leads for Institutional business development by researching and building a 100-operator prospect database, working with the Senior B2B Product Marketing Manager
- Sourced 3 major high net worth clients by spotting that a major exchange was losing access to European clients under MiCA, then building an outreach list of 80 publishers with AI and running the outreach
- Converted 4 high net worth clients onto the loans product in Malaysia within 1 month of launch by running the go-to-market end to end, from positioning to KOL, affiliate and referral partnerships
- Grew cumulative perps trading volume from $100m to $500m (5x) in two months and increased user retention by 12% by researching why active, inactive and churned traders dropped off, then turning the findings into clearer product messaging with Product
- Built the company's first in-house AI UGC workflow in 2 weeks, cutting production time by 75%, lifting CTR from 0.4% to 1.15% (+188%), cutting CPI from $25 to $6 (−76%) and driving 600+ installs in the first 7 days after I recreated the creative for our rebranded yield product, then built a prompt-generation skill and handed it over to the team
- Cut UK CPI by 21.5% while installs rose 30.2% by running 128 structured tests on keywords, bids and creative across 26 markets, then scaling the 5 campaign groups that worked
- Increased email open rate by 10% by building API tools that localise Iterable (CRM) communications into 24 languages
- Delivered 30+ creative briefs and 40 ads across 9 channels including LinkedIn, and supplied 50+ assets to 3 external partners
- Cut reporting time by ~10 hours a month by building automated reporting with Claude Code and MCP connectors, shipped as a company-wide dashboard

Performance Marketer **Feb 2025 – Apr 2026**

Malaberg, London, United Kingdom

- Increased daily conversions from 10 to 50+ (5x) and funnel progression by 5% by finding drop-off points through funnel analysis in Power BI, Excel and Microsoft Clarity and rebuilding the journey
- Drove 120% ROAS on £50k+ monthly paid budget
- Cut daily report preparation from 30 min to near-instant by building a company-wide automated reporting pipeline on lead conversion

EDUCATION

MRes Experimental Psychology with Data Science, University of Manchester **2023 – 2024**

First Class Honours. Experimental design, causal inference and statistical analysis in R. Research project graded 86/100, highest in the cohort.

BSc (Hons) Psychology, University of Exeter **2020 – 2023**
