JESSIE CHAN

London, UK | chan.jicheng@gmail.com | +44 (0) 7751 544 790 | linkedin.com/in/ji-cheng-chan

Growth marketer at a crypto exchange app, working across retail, wealth and institutional products in the UK, US and EU. I find where users drop off, run the experiments that fix it, and write the copy and briefs behind them. I use AI to solve marketing problems, whether improving current workflows or opening new acquisition funnels.

EXPERIENCE

Graduate Growth Marketing Manager **May 2026 – Present**

Blockchain.com, London, United Kingdom | Retail, Wealth and Institutional

- Built the company's first in-house AI UGC workflow in 2 weeks, cutting production time by 75%, lifting CTR from 0.4% to 1.15% (+188%), cutting CPI from $25 to $6 (−76%) and driving 600+ installs in the first 7 days after I recreated the creative for our rebranded yield product, then built a prompt-generation skill and handed it over to the team
- Increased user retention by 12% and grew cumulative perps trading volume from $100m to $500m (5x) in two months by researching why active, inactive and churned users dropped off, then working with Product to rework the in-app explainer and help page
- Converted 4 high net worth clients onto the loans product in Malaysia within 1 month of launch by running KOL, affiliate and referral partnerships and setting up a compliance review process for a new market
- Grew daily installs from 200+ to 800+ (~4x) at a flat ~$1.50 CPI by expanding Apple Search Ads from 2 to 26 markets with country-level bid and creative strategy
- Cut UK CPI by 21.5% while installs rose 30.2% by running 128 structured A/B tests across 26 markets and scaling the 5 winning campaign groups
- Increased email open rate by 10% by building API tools that localise Iterable (CRM) communications into 24 languages
- Delivered 30+ creative briefs and 40 ads across 9 channels including X and TikTok, and directed 50+ assets to 3 external acquisition partners
- Cut reporting time by ~10 hours a month by building automated performance reporting with Claude Code and MCP connectors, shipped as a company-wide dashboard
- Supported the rollout of the UK FinProm approval process with Compliance, reviewing regulated messaging across all retail crypto products in UK, US and EU markets

Performance Marketer **Feb 2025 – Apr 2026**

Malaberg, London, United Kingdom

- Increased daily conversions from 10 to 50+ (5x) and funnel progression by 5% by finding drop-off points through funnel analysis in Power BI, Excel and Microsoft Clarity and rebuilding the journey
- Drove 120% ROAS on £50k+ monthly paid budget

EDUCATION

MRes Experimental Psychology with Data Science, University of Manchester **2023 – 2024**

First Class Honours. Experimental design, causal inference and statistical analysis in R. Research project graded 86/100, highest in the cohort.

BSc (Hons) Psychology, University of Exeter **2020 – 2023**
