JESSIE CHAN

London, UK | chan.jicheng@gmail.com | +44 (0) 7751 544 790 | linkedin.com/in/ji-cheng-chan

Fintech/digital asset marketer working across go-to-market, positioning and product adoption for trading, lending and earn products in 26 markets. I solve marketing problems with AI, and pull my own analysis in Claude Code and Cursor. I work directly with Product, Compliance and creative teams on regulated messaging across UK, US and EU markets, and bring a data-science research background.

EXPERIENCE

Institutional and Retail Growth Marketing Intern **May 2026 – Present**

Blockchain.com, London, United Kingdom | Retail, Wealth and Institutional

- Grew cumulative perps trading volume from $100m to $500m (5x) in two months and increased user retention by 12% by leading voice-of-customer research with active, inactive and churned traders and making the product and risk explainer persistent
- Converted 4 high net worth clients onto the loans product in Malaysia within 1 month of launch by leading its go-to-market across competitor review, positioning, brand and tone, and influencer, affiliate and referral partnerships, and establishing a compliance review process for the new market
- Drove 600+ installs in the first 7 days of the Earn relaunch by recreating outdated creator assets with AI video after the rebrand
- Cut UK acquisition cost by 21.5% while volume rose 30.2% by running 128 structured messaging tests across 26 countries and scaling 5 winning campaign groups
- Sourced 3 major high net worth clients by spotting that a major exchange was losing access to European clients under MiCAR and building an 80-publisher contact list with AI
- Increased CTR from 0.4% to 1.15% (+188%) and cut production time by 75% by building the company's first in-house AI content production workflow, delivering 100+ video assets from 30+ creative briefs
- Increased email open rate by 10% by localising CRM communications into 24 languages with built-in CRM APIs
- Saved the team ~10 hours a month by automating daily performance reporting with Claude Code and MCP connectors, and led its launch as a company-wide Streamlit dashboard with Data Engineering and Security

Performance Marketer **Feb 2025 – Apr 2026**

Malaberg, London, United Kingdom

- Increased daily conversions from 10 to 50+ (5x) and funnel progression by 5% by rebuilding landing and promotional pages in Figma and Photoshop, informed by funnel analysis in Power BI, Excel and Microsoft Clarity
- Led weekly content reviews with Compliance to clear regulated consumer-finance messaging across all channels
- Sustained 120% ROAS while managing £50k+ monthly paid budget
