JESSIE CHAN

London, UK | chan.jicheng@gmail.com | +44 (0) 7751 544 790 | linkedin.com/in/ji-cheng-chan

Growth marketer at a consumer fintech app, focused on conversion across web, App Store and Google Play in 26 markets. I build evidence-based hypotheses from qualitative and quantitative research, run experiments at pace, and manage Custom Product Pages and store listings aligned to acquisition campaigns, in a highly regulated industry. I use AI to solve marketing problems, whether improving current workflows or opening new acquisition funnels.

EXPERIENCE

Graduate Growth Marketing Manager **May 2026 – Present**

Blockchain.com, London, United Kingdom | Retail, Wealth and Institutional

- Grew daily installs from 200+ to 800+ (~4x) at a flat ~$1.50 CPI by expanding Apple Search Ads from 2 to 26 markets and building 20+ Custom Product Pages for 12 markets aligned to each campaign
- Cut UK CPI by 21.5% while installs rose 30.2% by running 128 structured experiments on keywords, bids, creative and Custom Product Pages, prioritising and scaling the 5 winning campaign groups
- Increased user retention by 12% and grew cumulative perps trading volume from $100m to $500m (5x) in two months by turning qualitative and quantitative research with active, inactive and churned users into hypotheses, then working with Product to rework the in-app explainer and help page
- Refreshed App Store and Google Play store listings across 20 storefronts, and partnered with Front-End Engineering to deliver refreshed Personal and yield product web pages across jurisdictions
- Built the company's first in-house AI UGC workflow in 2 weeks, cutting production time by 75%, lifting CTR from 0.4% to 1.15% (+188%), cutting CPI from $25 to $6 (−76%) and driving 600+ installs in the first 7 days after I recreated the creative for our rebranded yield product, then built a prompt-generation skill and handed it over to the team
- Cut reporting time by ~10 hours a month by building automated performance monitoring and reporting with Claude Code and MCP connectors, shipped as a company-wide dashboard
- Supported the rollout of the UK FinProm approval process with Compliance, reviewing regulated messaging and app store content across all retail products in UK, US and EU markets

Performance Marketer **Feb 2025 – Apr 2026**

Malaberg, London, United Kingdom

- Increased daily conversions from 10 to 50+ (5x) and funnel progression by 5% by rebuilding landing pages from funnel analysis and session recordings in Microsoft Clarity, Power BI and Excel
- Drove 120% ROAS on £50k+ monthly paid budget
- Cut daily report preparation from 30 min to near-instant by building a company-wide automated reporting pipeline on lead conversion

EDUCATION

MRes Experimental Psychology with Data Science, University of Manchester **2023 – 2024**
