B2C fintech marketer working across campaigns, copy, creative and partners in 26 markets. I use AI to solve marketing problems, whether improving current workflows or opening new acquisition funnels. I write briefs and copy, coordinate launches with partners and internal teams, and design in Canva, Figma and Photoshop. I bring a data-science research background.

EXPERIENCE

Graduate Growth Marketing Manager **May 2026 – Present**

Blockchain.com, London, United Kingdom | Retail, Wealth and Institutional

- Built the company's first in-house AI UGC workflow in 2 weeks after spotting competitors running AI-generated ads, cutting production time by 75%, lifting CTR from 0.4% to 1.15% (+188%) and driving 600+ installs in the first 7 days of the yield product relaunch
- Made the AI UGC workflow scalable by building a prompt-generation skill, then handed it over to other team members to run without me
- Delivered 30+ creative briefs and 40 ads across 9 channels, and directed 50+ assets to 3 external partners across multiple markets
- Converted 4 high net worth clients onto the loans product in Malaysia within 1 month of launch by coordinating the campaign across KOL, affiliate and referral partners and setting up a compliance review with Legal
- Increased email open rate by 10% by localising Iterable (CRM) communications into 24 languages with built-in APIs
- Increased user retention by 12% by researching why users dropped off our perps product and working with Product to rewrite the in-app explainer and help page
- Cut reporting time by ~10 hours a month by automating daily performance reporting with Claude Code, shipped as a company-wide dashboard with Data Engineering and Security
- Sourced 3 major high net worth clients by spotting that a major exchange was losing access to European clients under new EU digital asset regulation (MiCAR), and running an outreach campaign to 80 publishers built with AI
- Cut UK CPI by 21.5% while installs rose 30.2% by running 128 structured tests across 26 markets and moving budget to the 5 campaign groups that worked

Performance Marketer **Feb 2025 – Apr 2026**

Malaberg, London, United Kingdom

- Increased daily conversions from 10 to 50+ (5x) and funnel progression by 5% by redesigning landing and promotional pages in Figma and Photoshop, informed by funnel analysis in Power BI and Microsoft Clarity
- Led weekly content reviews with Compliance to clear consumer-finance copy across all channels
- Drove 120% ROAS on £50k+ monthly paid budget
- Cut daily report preparation from 30 min to near-instant by building a company-wide automated reporting pipeline on lead conversion
