JESSIE CHAN

London, UK | chan.jicheng@gmail.com | +44 (0) 7751 544 790 | linkedin.com/in/ji-cheng-chan

CRM and growth marketer in regulated fintech and digital assets, working across 26 markets. I build communications and audiences that respect each market's rules, test what works, and use AI to automate routine work. I have worked with high net worth and institutional clients, handed leads to business development, and bring a data-science research background.

EXPERIENCE

Institutional and Retail Growth Marketing Intern **May 2026 – Present**

Blockchain.com, London, United Kingdom | Retail, Wealth and Institutional

- Increased email open rate by 10% by localising Iterable (CRM) communications into 24 languages with built-in APIs
- Sourced 3 major high net worth clients by spotting that a major exchange was losing access to European clients under new EU digital asset regulation (MiCAR), and building an outreach list of 80 publishers with AI
- Converted 4 high net worth clients onto the loans product in Malaysia within 1 month of launch by leading go-to-market across KOL, affiliate and referral partnerships and setting up a compliance review process with Legal for the new market
- Increased user retention by 12% and grew cumulative perps trading volume from $100m to $500m (5x) in two months by researching why active, inactive and churned users dropped off and working with Product on the in-app explainer
- Generated 20+ active leads for Institutional business development by building a 100-operator prospect database
- Cut UK CPI by 21.5% while installs rose 30.2% by running 128 structured tests across 26 markets and reallocating budget away from 26 underperforming campaigns
- Saved the team ~10 hours a month by automating daily performance reporting with Claude Code and MCP connectors, shipped as a company-wide dashboard with Data Engineering and Security
- Built the company's first in-house AI UGC workflow in 2 weeks, cutting production time by 75%, lifting CTR from 0.4% to 1.15% (+188%) and driving 600+ installs in the first 7 days of the yield product relaunch
- Supported the rollout of the UK FinProm approval process with Compliance, reviewing regulated messaging across all retail products and 20 app-store storefronts in UK, US and EU markets

Performance Marketer **Feb 2025 – Apr 2026**

Malaberg, London, United Kingdom

- Cut daily report preparation from 30 min to near-instant by building a company-wide automated reporting pipeline on lead conversion
- Increased daily conversions from 10 to 50+ (5x) and funnel progression by 5% by finding drop-off points through funnel analysis in Power BI, Excel and Microsoft Clarity and rebuilding the pages
- Led weekly content reviews with Compliance to clear regulated consumer-finance messaging across all channels
- Sustained 120% ROAS while managing £50k+ monthly paid budget

EDUCATION

MRes Experimental Psychology with Data Science, University of Manchester **2023 – 2024**

First Class Honours. Experimental design, causal inference and statistical analysis in R. Research project graded 86/100, highest in the cohort.

BSc (Hons) Psychology, University of Exeter **2020 – 2023**
