JESSIE CHAN

London, UK | chan.jicheng@gmail.com | +44 (0) 7751 544 790 | linkedin.com/in/ji-cheng-chan

Crypto and fintech marketer who runs projects end to end across 26 markets, coordinating partners, Product, Engineering, Data, Compliance and Legal. I build with APIs and AI myself, including MCP integrations and automated dashboards, and I turn customer feedback into product changes. I bring a data-science research background.

EXPERIENCE

Institutional and Retail Growth Marketing Intern **May 2026 – Present**

Blockchain.com, London, United Kingdom | Retail, Wealth and Institutional

- Converted 4 high net worth clients onto the loans product in Malaysia within 1 month of launch by managing the launch end to end, coordinating Legal, a new compliance review process and KOL, affiliate and referral partners
- Cut reporting time by ~10 hours a month by building automated reporting with Claude Code, MCP connectors and API integrations, shipped to production as a company-wide dashboard with Data Engineering and Security
- Increased email open rate by 10% by building API tools that localise Iterable (CRM) communications into 24 languages
- Increased user retention by 12% and grew cumulative perps trading volume from $100m to $500m (5x) in two months by turning feedback from active, inactive and churned users into product changes with Product
- Generated 20+ active leads for Institutional business development by building a 100-operator prospect database, working with B2B Product Marketing
- Built the company's first in-house AI UGC workflow in 2 weeks, cutting production time by 75%, lifting CTR from 0.4% to 1.15% (+188%), cutting CPI from $25 to $6 (−76%) and driving 600+ installs in the first 7 days after I recreated the creative for our rebranded yield product, then built a prompt-generation skill and handed it over to the team
- Sourced 3 major high net worth clients by spotting that a major exchange was losing access to European clients under MiCAR, and building an outreach list of 80 crypto publishers with AI
- Cut UK CPI by 21.5% while installs rose 30.2% by analysing 128 structured tests across 26 markets and reallocating budget away from 26 underperforming campaigns
- Managed delivery with 3 external acquisition partners across multiple markets, supplying 50+ assets to agreed timelines
- Supported the rollout of the UK FinProm approval process with Compliance, reviewing regulated messaging and disclosures across all retail crypto products in UK, US and EU markets

Performance Marketer **Feb 2025 – Apr 2026**

Malaberg, London, United Kingdom

- Cut daily report preparation from 30 min to near-instant by building a company-wide automated reporting pipeline on lead conversion
- Led weekly content reviews with Compliance to clear regulated consumer-finance messaging across all channels
- Increased daily conversions from 10 to 50+ (5x) and funnel progression by 5% by troubleshooting drop-off points through funnel analysis in Power BI, Excel and Microsoft Clarity

EDUCATION

MRes Experimental Psychology with Data Science, University of Manchester **2023 – 2024**

First Class Honours. Experimental design, causal inference and statistical analysis in R. Research project graded 86/100, highest in the cohort.

BSc (Hons) Psychology, University of Exeter **2020 – 2023**
